DR. LEYLA ROUH FAR practices general, family and cosmetic dentistry and treats patients of all ages. A native of the Pacific Northwest, Dr. Leyla Rouhfar earned her bachelors degree in Cell and Molecular Biology from the University of Washington in 2000. She continued her education at Tufts University in Boston, earning her Dental Medicine Doctorate (D.M.D.). After completing her degree, she returned to Seattle to study at the renowned Kois Center of Advanced Dentistry. Dr. Rouhfar has been very involved in research in the fields of Oral and Maxillofacial Surgery, dental implants and anesthesia. Her research has been published in a number of leading American dental journals. She is an active member of American Dental Association, Washington Dental Association and Massachusetts Dental Association and numerous local professional study associations. Dr. Rouhfar also keeps up with the latest techniques and technology by attending classes throughout the country.

OUR PHILOSOPHY

We aim to create a lifetime of healthy, beautiful and bright smiles for you and your family. Whether you are in need of a minor enhancement or a complete smile makeover, we are 100% dedicated to meet your dental needs and we achieve this with your support and trust as we believe you are the most important member of the dental team.

COMPREHENSIVE CARE

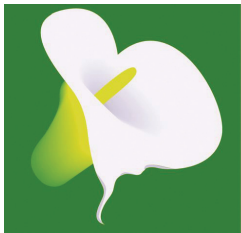

With advanced in-office technology and thorough training in general and cosmetic dentistry, our team is equipped to meet all of your preventive, restorative and cosmetic needs. We utilize digital x-rays and intraoral cameras to provide you with the most gentle and accurate diagnosis and best plan of treatment. Our advanced services include, Invisalign® (clear braces), teeth whitening, and cosmetic restorations such as dental ceramic inlays and tooth colored restorations. For your comfort, we offer mild conscious sedation during treatment.

PERKS AND AMENITIES

While you wait in our lobby, you can relax on a massage chair or sip on a cappuccino. After your exam or procedure is completed, enjoy a hot towel and a paraffin moisturizing treatment.

CONVENIENCE

Our office is conveniently located on the northwest corner of 156th and Bel-Red Road in Redmond. We are on the 4th floor of the Overlake office building, next to Eastside Hospital. Our practice is just a few blocks from the Microsoft campus near Microsoft Buildings 40 and 41.
